SUBMISSION OF MISSING REQUIREMENTS IN APPLICATION

Sir:

Attached hereto please find:

1. Executed Declaration and Power of Attorney.

Applicants note that on the Notification of Missing Requirements mailed on May 22, 2007, the Notification stated that the current translation of the application into English is defective since the foreign text in drawing 1 has not been translated. Applicants respectfully submit that in the Preliminary Amendment filed in the application on September 7, 2006, that Applicants filed a Replacement Sheet for drawing Figures 1 and 2 to translate the legend to "Prior Art". Therefore, Applicants respectfully submit that the current translation of the application into English is not defective and that the processing fee of \$130.00 for providing the translation of the application later than 30 months from the priority date is not due.

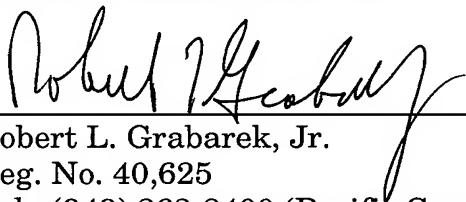

Enclosed, please find a copy of the Replacement Sheet that was filed in the application that provides a translation for the foreign text in the drawing sheet. Applicants respectfully submit that if in any way Applicants' submission of the Replacement Drawing Sheet with the Preliminary Amendment that was filed in the application did not meet the Office's requirements for the translation, that the Office consider the attached Replacement Sheet as meeting any translation requirement as required in the Notification. In this circumstance, if required, the Office is authorized to charge the processing fee of \$130.00 for providing the translation of the application later than 30 months from the priority date required by 37 C.F.R. 1.492(i) to Deposit Account 05-1323.

The Office is invited to contact the undersigned should there be any questions regarding Applicants' response to the Notification of Missing Requirements or if any further submissions are required for responding to the Notification.

Please credit any overpayments or charge any additional fees to the Deposit Account of Crowell & Moring LLP, Account Number 05-1323 (Docket No. 011235.58187US).

Respectfully submitted,
CROWELL & MORING LLP

Dated: July 23, 2007
